

## *Web: What do I need to do to get a web site?*

Besides an idea and a purpose, you need three things to publish a web site.

1. You, need a Domain Name (in most cases).

2. You need a Web Host.

3. You need Web Page(s).

KA Data Group can help with any or all of the above steps. We can keep it simple and affordable, or build as large as you need or want to go. Our sites can withstand the heaviest traffic your site can generate, so no matter what the size we can help. A detailed article may found in the KA Data Group Knowledgebase [here](#).
